- ☞ Punctuality, regularity and a strong work ethics.
- ☞ Cleanliness, purity and respect for the environment.

Dr. Gurmeet Singh Dhaliwal

Chairman,
Baba Farid Group of Institutions

Respected Parents & Dear Students

At Baba Farid Group of Institutions (BFGI), we educate students to develop a healthy society capable to meet the challenges of 21st century. For this we ensure effective curriculum delivery through innovative pedagogy and practical approach. We firmly believe that education is the key to a nation's progress; we take it as our moral obligation to provide the best possible academic training a student can get. The institution endeavors to equip students with all the necessary knowledge and skills to facilitate a seamless transition from school education to higher education.

We are constantly striving to bridge the gap between Industry and Academia through Industry-Academia model of education to enhance employability of our students. Our educational practices are aligned with the ASK (Attitude, Skills & Knowledge) model by which we aim to cultivate not only the technical competencies but also the attitude and values necessary for success in the professional world.

Apart from imparting knowledge & skills, we groom intellectual, aesthetic, social, physical, emotional and moral abilities in an integrated manner to develop students as socially responsible citizens.

Prof. (Dr.) M.P. Poonia

Campus Director,
Baba Farid Group of Institutions

Respected Parents & Dear Students

At BFGI, we are dedicated to produce future leaders and innovators poised to enact positive transformations on a global scale. Our vibrant campus, experienced faculty and cutting-edge facilities converge to foster an environment conducive to academic, professional and personal excellence. With a robust emphasis on experiential learning, industry immersion and holistic enrichment, we ensure that students are well-equipped with the competencies and acumen essential for success in today's dynamic milieu. In addition to our rigorous academic framework, BFGI presents abundant avenues for extracurricular pursuits, ground breaking research initiatives, immersive internships and global outreach programs, empowering students to delve into their interests and broaden their perspectives significantly. 10 pioneering initiatives have been launched to enhance learning through innovation and engagement. They will not only fulfill students' aspirations, but also elevate BFGI's global standards.

Join a community of self-motivated individuals ardently devoted to learning, innovation and affecting meaningful change. BFGI extends a warm invitation to all aspirants to become integral members of our vibrant learning community. Embark on your journey of exploration, growth and triumph today, as your pathway to a promising future commences right here.

Dr. Baljinder Singh

Principal,
Baba Farid Sr. Sec. School

Respected Parents & Dear Students

It is a matter of immense pleasure for all of us to see our long-cherished dream of spreading the light of quality education come true. As we commence another academic year, I am delighted to share the exciting advancements in our educational approach, guided by the transformative principles of the National Education Policy (NEP) and the integration of Artificial Intelligence (AI).

Aligned with the NEP's vision, our school is committed to create a vibrant and inclusive learning ecosystem where students are empowered to explore his/her passions, realize their potential and contribute meaningfully to society. The integration of AI technology and skill enhancement into our educational framework mark a significant stride towards improving learning outcomes and fostering personalized education. AI-powered tools enable our teachers to deliver tailored instruction, provide real-time feedback and identify areas for improvement, ensuring no learner is left behind.

We view education as our mission, not a business. Quality education goes beyond theoretical knowledge; it involves applying that knowledge in real-life situations. With this in mind, we make sincere efforts to nurture students into compassionate individuals with a humanistic outlook. We encourage our students to work diligently and compete to secure better opportunities in today's competitive world. Our team works tirelessly to shape students' personalities in a harmonious and holistic manner.

Additionally, we are committed to promote a healthy classroom culture that eradicates the need for tuition and discourages unethical practices like copying. Our efforts are aimed at providing the best academic, infrastructural and social environment to prepare students to face the real world with confidence and competence.

As we continue this incredible journey with you all, we firmly believe that our school will remain a beacon of light, guiding our students towards fulfilling their aspirations and enabling them to meet the ever-changing demands of society with resilience and integrity.

SCHOOL PROFILE

Baba Farid Sr. Sec. School (BFSSS) operates under the aegis of the Baba Farid Group of Institutions. The institution is honoured to have Dr. Gurmeet Singh Dhaliwal (Bharat Jyoti Awardee) as its visionary Chairman and Smt. Paramjeet Kaur Dhaliwal as its dedicated Managing Director. INFRASTRUCTURE

Infrastructure is the cornerstone of an institution's growth and success. At Baba Farid Sr. Sec. School, we prioritize the integration of material and human resources to ensure the holistic development of our institution. Since its establishment, the school has continuously upgraded its infrastructure, reflecting our commitment to provide an exceptional learning environment. Regular maintenance and the addition of new facilities have enabled efficient management and administration, ensuring a seamless academic experience for students.

LIBRARY

The library is the soul of any educational institution and at Baba Farid Sr. Sec. School, we take pride in our well-stocked and meticulously curated library. With a vast collection of books spanning various subjects, our library fosters a culture of extensive reading and intellectual exploration. The spacious, well-furnished and serene reading hall provides the perfect setting for focused study. Additionally, the library's general section offers newspapers, magazines and journals, regularly updated to keep students informed and engaged.

ART & CRAFT ROOM

The Art and Craft Room at our school serves as a vibrant hub of creativity and self-expression. This dedicated space encourages students to explore their artistic talents, enhance their fine motor skills and boost emotional well-being. Through hands-on activities and collaborative projects, students develop focus, patience and teamwork.

ADVANCED LABS

Our school features modern, fully equipped labs for Physics, Chemistry, Biology, Mathematics, Geography and Agriculture ensuring hands-on learning and in-depth practical knowledge. Additionally, advanced college labs provide exposure to fields like Artificial Intelligence (AI), Internet of Things (IoT) and FESTO Labs, fostering innovation and future-ready skills.

Physics Lab

Chemistry Lab

Biology Lab

Mathematics Lab

Computer Lab

Agriculture Lab

Tinkering Lab

The Tinkering Lab is an innovative space designed to encourage hands-on learning, where students can explore and experiment with a variety of STEM (Science, Technology, Engineering and Mathematics) projects. With access to cutting-edge tools and resources, students can unleash their creativity, invent solutions and develop vital problem-solving skills. This lab fosters an environment where curiosity is satiated, allowing students to transform their ideas into practical innovations. Whether building prototypes, coding robots or experimenting with electronics, the Tinkering Lab empowers students to think critically and gain a deeper understanding of the world around them.

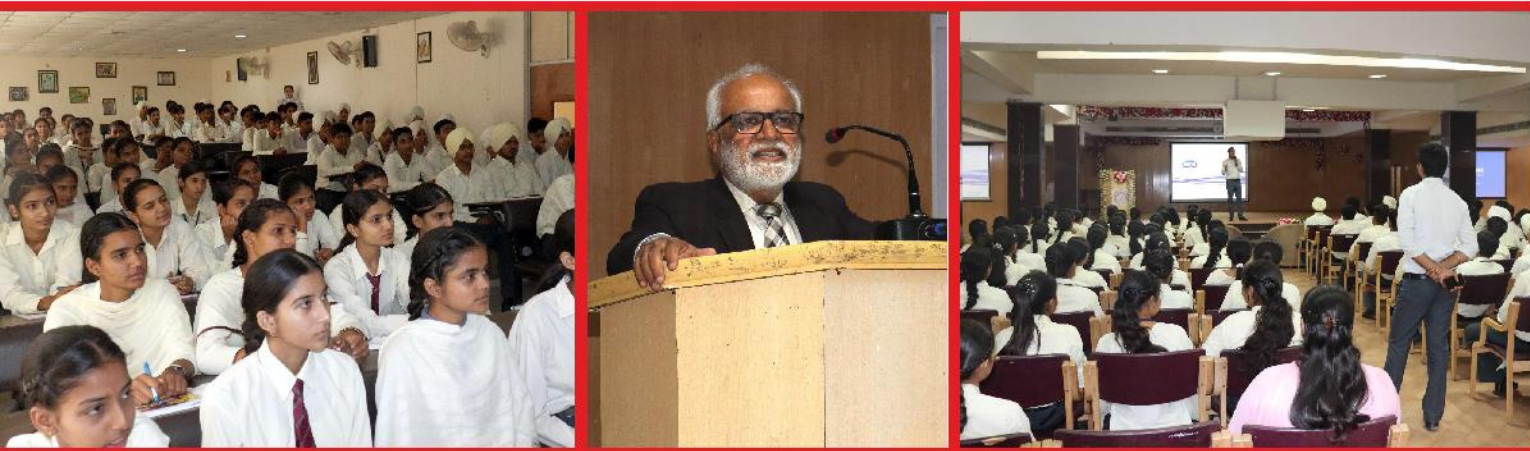

Communication Lab

State-of-art Communication Lab has been established to enhance students' communication skills in a dynamic and interactive way. Equipped with audio-visual aids, language learning software and a variety of interactive tools, the lab provides a supportive environment for students to improve their speaking, listening, reading and writing abilities. Through voice modulation exercises, group discussions or language practice programs, students have the opportunity to develop confidence and clarity in their communication. This lab ensures that students are well-prepared to effectively convey their ideas, engage in meaningful conversations and succeed in both academic and professional environments.

Our air-conditioned Seminar Hall provides a modern and comfortable space for seminars, guest lectures and other academic events. Equipped with the latest technology, including overhead and LCD multimedia projectors, it facilitates interactive and engaging sessions with experts from various fields. This well-designed venue supports intellectual growth and knowledge sharing, offering an ideal environment for learning.

CANTEEN & CAFETERIA

The school boasts a well-maintained cafeteria, ensuring high standards of hygiene and cleanliness, regularly monitored by staff members. It offers ample space and comfortable seating for both students and staff. With a wide range of beverages and snacks available at reasonable prices.

COUNSELLING & ADMISSION CELL

The centralized Counselling & Admission Cell at Baba Farid Group of Institutions provides expert guidance to students, helping them select courses that align with their interests and career goals. The cell facilitates the admission process through counselling sessions and aptitude tests, acting as a link between students and the institute. It addresses queries regarding education standards, infrastructure and available facilities, ensuring that students make well-informed decisions about their future.

HOSTELS

The institute offers fully-equipped, modern hostel facilities for both boys and girls, located within the campus. The hostels feature air-conditioned rooms with private balconies, attached bathrooms with geysers, 24-hour power backup and broadband connections. Each room is spacious (16x13 feet) and accommodates up to 700 students. The hostels also offer indoor and outdoor games, a common room with newspapers, magazines, TV, music and round-the-clock security. The mess maintains high hygiene standards, providing students with quality meals in a comfortable environment.

TRANSPORTATION

To ensure that distance is never a barrier to quality education, Baba Farid Group of Institutions provides a fleet of over 125 buses, offering transport services to students from Bathinda as well as cities like Kotkapura, Malout, Muktsar, Faridkot, Mansa, Talwandi Sabo, Dabwali, Abohar, Fazilka and surrounding villages within an 80- km radius. This extensive transportation network ensures that students have easy access to the campus, regardless of their location.

AMBULANCE

In its commitment to community welfare, Baba Farid Group of Institutions has donated two fully-equipped ambulances, available 24/7 for the nearby regions. These ambulances have proved to be invaluable in providing emergency medical assistance. Additionally, two first-aid points have been established at Malout-Muktsar Hi-tec and Goniana Hi-tec, offering essential services such as medical support, telecommunication, ambulance availability and RO water systems, ensuring the well-being of the local population.

DEPARTMENT OF CAREER GUIDANCE & COUNSELLING

Empowering Students to Choose the Right Path

In today's complex world, choosing the right career is a significant challenge due to the vast array of opportunities available. A wrong career decision can impact a student's life, while the right choice can be life-changing. At Baba Farid Group of Institutions (BFGI), we take pride in helping students identify their strengths, interests and potential to make the most satisfying career choices. "Choose a job you love and you'll never have to work a day in your life."

Our Vision : A Roadmap to Success

BFGI established the Department of Career Guidance & Counselling with a strong sense of moral and social responsibility. Since 2006, this department has been actively assisting students in identifying and pursuing the right career paths through:

1. Guidance Program (October–February):

- Students from diverse backgrounds visit our campus.
- They are introduced to a variety of academic programs and career options.

2. Counselling Program (March–July):

- Students are guided based on their interests, career tests and online aptitude tests.
- Expert counsellors help them select careers aligned with their abilities and aspirations.

Key Benefits:

- Free Services: Career guidance, counselling sessions and tests are provided at no cost.
- Free Transport: Students are offered complimentary transportation to attend sessions.
- Proven Results: Over 60,000 students have benefitted from this program in the past 15 years.

Innovative Tools for Career Decisions

➤ Online Aptitude Test

Our online aptitude test evaluates students' personality traits and suggests suitable career options with over 80% reliability. With more than 30,000 students already benefitting from this tool, it has become a cornerstone of our counselling services.

How to Take the Test :

- Visit our website: www.babafaridgroup.edu.in
- Click on the online aptitude test link.
- Fill in the required details and complete the simple, intuitive test.

Multi-Platform Counselling Services

- **Radio Programs:** Our radio channel offers career guidance and updates on emerging educational opportunities to help students make informed choices.
- **Career Webinar Series:** During the COVID-19 lockdown, we introduced online career webinars featuring renowned educationists, university VCs and industry experts. These sessions benefited students in India and abroad by providing insights into global career opportunities.
- **Personal Counselling:** Thousands of students from schools and colleges, including BFGI, have received one-on-one counselling from our expert team.

To further enhance the experience, a Career Counselling & Guidance Cell has been established at BFSSS. This cell focuses on:

- Improving students' education quality and skillsets.
- Preparing them to meet the demands of the competitive job market.
- Equipping them to thrive in the "Survival of the Fittest" era.

A Legacy of Excellence: Career Camps and Renowned Mentors

Since its inception, the department has organized numerous career camps, hosting counsellors of national and international acclaim, including:

These experts have guided and motivated thousands of students to achieve their dreams.

ORIENTATION PROGRAMME

Welcoming Newcomers with Purpose and Direction

Our Orientation Programme is thoughtfully designed to familiarize newcomers with the institution's history, mission, values and structure. It provides essential insights into the rules, regulations and practices that guide life within the institution. Acting as a compass, this program ensures a smooth and successful transition, helping students embark on a harmonious and fulfilling journey with us.

CULTURAL ACHIEVEMENTS

Fostering Creativity and Team Spirit

At our institution, we believe that "Learning is a never-ending process." To instill values such as positivity, responsibility, loyalty and team spirit, we organize various intra-school and inter-school competitions, events and projects. Through activities like dance, music, drama and painting, students are encouraged to express themselves gracefully and creatively. These platforms not only nurture their artistic talents but also build confidence and enthusiasm, preparing them for a dynamic future.

FACULTY DEVELOPMENT PROGRAM (FDP)

Enhancing Excellence in Education

The Faculty Development Program is designed to empower our educators with modern teaching techniques, advanced research methodologies and innovative practices. Through expert-led workshops, collaborative training and leadership development programs, our faculty stays at the forefront of educational excellence. This ensures continuous improvement, benefiting both teachers and students alike.

SOCIAL AWARENESS CAMPS & RALLIES UNDER NSS

Learning by Doing, Leading by Example

At our institution, we believe in education that goes beyond academics, creating individuals who embody moral principles and contribute positively to society.

Recognizing the importance of social responsibility, we have started initiatives like the Blood Donors Squad, Environment Saving Movement and National Service Scheme (NSS). These associations aim to inculcate a sense of duty and compassion among students.

To further this mission, we organize awareness camps and rallies on critical issues such as:

- Dowry prevention
- Female foeticide
- Environmental conservation
- Drug addiction

These activities not only educate the community but also empower our students to become catalysts for change, fostering empathy and a commitment to societal improvement.

BHARAT SCOUTS AND GUIDES

Developing Leaders of Tomorrow

The Bharat Scouts and Guides program at our school is designed to nurture confidence, self-esteem and essential life skills among students. It provides a platform for students to:

- Build teamwork and leadership skills
- Engage in outdoor adventures and hands-on learning
- Know the world beyond the classroom

Through a variety of engaging activities held throughout the year, students develop a balanced personality, resilience and a sense of camaraderie. This holistic program lays the foundation for students to thrive as responsible, well-rounded individuals.

आजकल का समय एक ऐसा है जो हमारे लिए बहुत ही चुनौतीपूर्ण है। हमारे सामने बहुत सारे विकल्प हैं, लेकिन हमें इन विकल्पों में से सही विकल्प चुनना पड़ेगा। हमें अपने अंदर की शक्ति को पहचानना होगा और उसे सही ढंग से इस्तेमाल करना होगा। हमें अपने लक्ष्यों को तय करना होगा और उन लक्ष्यों को प्राप्त करने के लिए कड़ी मेहनत करनी होगी। हमें अपने जीवन में सकारात्मकता को फैलाना होगा और दूसरों को भी सकारात्मक बनाने में मदद करनी होगी। हमें अपने जीवन में खुशियों को गिनना होगा और उन खुशियों को और भी बढ़ाने में मदद करनी होगी। हमें अपने जीवन में सफलता को प्राप्त करना होगा और उस सफलता को और भी बढ़ाने में मदद करनी होगी। हमें अपने जीवन में एक सकारात्मक और सफल जीवन जीना होगा।
